BRENT AND RENEALIEBE, MALTA

Because of your generosity, Peoples Church is able to support missionaries all over the world, including Brent and Renea Liebe in Malta, a group of islands off the coast of Sicily.

Brent and Renea Liebe were asked to go to Malta to help strengthen Assemblies of God churches at the national and local level. They are working to grow the organization through church plants and assimilating other evangelical churches into the organization. Last July our Student Ministry department, The Chase, sent a team of 30 adults and students to partner alongside the Liebes.

They are praying that God will move so the Maltese people can see the real and tangible power of God and have an experience that will change their lives like never before! Because of your giving to PC Missions we have been supporting the Liebes since 2016.
