

I LOVE MY CITY

As followers of the Gospel, we are all called to be the hands and feet of Jesus, both in our city and around the world. Each person has been divinely gifted by God in specific areas, and there are people in Fresno who need your help. I Love My City is focused on putting our faith into action by changing Fresno from the inside out. From doing yard work for impactful nonprofits or being a part of a community block party, there is a role for everyone. We have reorganized ILMC 2018 to be focused on fewer sites with more volunteers. By making this change, we are able to work hand in hand with the people we see every Sunday. ILMC believes the world can be transformed for God's glory, but it starts with us and our city.

Saturday, October 20 we will go out across the city to do exactly what ILMC is focused on—loving our city.

Sign up by visiting the table in the lobby, write "ILMC" on your communication card or email karissal@peopleschurch.org.
