CORNER

KINGDOM MINISTRIES
KEITH AND JOAN MARTENS

Keith and Joan are members of our Peoples Church family and the founders of Kingdom Ministries, a Christ-centered equipping ministry and counseling center. They provide training workshops designed to equip God's people to make an impact in the lives of individuals, groups, communities, and cities around the world. They provide tools to help others uncover and resolve unseen spiritual influences that may be negatively affecting us, those we love, or our quality of life or ministry. They help others become equipped and more effective to serve and minister in any area of missions, ministry, and evangelism. They also use Christ's authority in prayer to bring about the kind of change He desires. Keith also serves as the director of prayer ministries here at Peoples Church. Through your giving to PC Missions we are able to partner monthly with them as they serve both locally and globally.
