

## THE CHASE VIETNAM RECAP

Our team of 35 students and adults arrived back home safely last Sunday after an amazing 10 days in Vietnam. While there, our students were able to share the love of Jesus through kids outreach programs, street ministry, and in the national and international churches. The Lord worked in our students in amazing ways. We saw many come to know Jesus for the first time and the miraculous happen as we prayed for healing. Our team is so thankful to have a church family that believes in the next Generation. This trip would not have been possible without your support and prayers. Please continue to pray with us for the country of Vietnam and missionary Ginny Tripp.

**Global OUTREACH**

**FIRST-HAND SALVATION ACCOUNT**

*"My family are strong Muslims. I spent 10 years in a Muslim school where I was the champion Quran reciter. When I wanted to go to college my parents forbade it, arguing that secular teaching is for heathen unbelievers and that I should spend my life as a teacher at a Muslim boarding school. I did so reluctantly for five years but had no peace.*

*Bored with my life and Islamic rituals, I left home and stayed with a friend who was a successful businessman and also taught in the local Muslim school. What amazed me more than his business success was that he was so kind to everyone. I asked him his secret and he told me that he has a Savior – Jesus. When he showed me Jesus in the Quran and the Bible, I was overjoyed. I accepted Jesus as my Savior and am now seeking to share the Gospel with my family. They must also hear that salvation is only found in Jesus."* Joseph

**Thank you for investing in PC Global Outreach so that others like Joseph can find their place in our faith family.**

Thank you for helping us limit distractions during the teaching by remaining seated. If you need to leave the Auditorium during this time and want to return, the ushers will be happy to assist you by finding a seat for you in the back. This will help make this time a great experience for those in the room as well as those watching online.

We appreciate you working with us to make this happen.
